Our company

FALCON PRIVATE BANK LTD. is a Swiss private bank that specializes in asset management for private clients, wealthy families and institutional investors. Our global clients benefit from more than 40 years of experience in Swiss private banking as well as the financial strength of our owner, which belongs to one of the world's leading sovereign wealth funds of the government of the Emirate of Abu Dhabi. Falcon Private Bank currently employs a staff of 280 at its headquarters in Zurich and at its branches and representative offices in Geneva, Hong Kong, Singapore and Dubai.

Customized solutions

Your individual and personal needs lie at the heart of the investment advisory process. Our asset management experts undertake to deliver tailor-made and independent solutions of the very highest specialist quality. These are optimally adjusted to all parameters such as investment horizon, size of asset base, risk capacity and risk tolerance, and continually changing market conditions.

Our investment philosophy.

FALCON PRIVATE BANK
SWISS PRIVATE BANKING

+ We create added value for sophisticated clients by focusing on the following four actions:

+ 1. Active management

We establish the weightings for individual asset classes based on our market expectations.

+ 2. Selection of managers

Thanks to our selection process we are able to invest in the best managers for the relevant investment areas.

+ 3. Broadening horizons

By identifying new investment trends we include the winners of the future in your portfolios.

+ 4. Risk management

Thanks to the ongoing monitoring of investments and a needs-oriented adjustment process we recognize and minimize risks.

“By incorporating new investment horizons into our investment process, we give our clients the opportunity to generate attractive surplus returns.”
