

e-banking: Mobile-Login per SMS

September 2016

Allgemeines zum Mobile-Login

- To use the bank zweiplus e-banking, it is necessary, as client of bank zweiplus, to subscribe an e-banking contract. In the scope of this contract the client is asked to communicate its mobile-number to bank zweiplus.
- For the login in the e-banking account it is necessary to enter the contract number, the password and for the user autorisation an «SMS-Code», which the client will receive by sms . The «SMS-Code» is valid for only one login.
- The modification of the mobile number is possible either physically by a form or by sending a message from e-banking. The form can be found in e-bankin under: «Services» → «Settings» → «Customer data.
- In case of access blocking (manual from the e-banking desk or by entering the wrong password), the only way to reactivate the contract is by contactin the Service Line under: Fees free international number: 00800 0077 7700

Access to e-banking

- The link to the login mask is on the bank zweiplus website (www.bankzweiplus.ch)
- The authentication will be done by entering the contract number, password and «SMS-login».
